

## Welcome to the 2025/26 Hockey Season

Hello Muskie players and families. Welcome back to the 2025/2026 season.

Your Board of Directors have been working hard over the summer season preparing for our season start, the first week of September. Please ensure you are checking the LMHA Website for the up-to-date calendar for your ice times.

It is important to note that all Local League players ( LL) will start the season with skates and then evaluations. Please consult the LMHA calendar for specified times. For example, U7 A-G Sat Sept.6 @ 8:45 am. All Players with registered last names starting with the letter "A" through to those with last names starting with "G". Those with last names between the letters "H" and "P" will go on the ice at 9:45.

The same process applies at each age division. Teams will not be formed until evaluations are completed . As per the Three County Hockey League, LMHA must split our LL teams evenly for competition purposes. All players will then be contacted by the Coach to inform them of which team they will be on.

Please ensure your player arrives for their ice time with a practice jersey and water bottle.

Team uniforms will not be handed out until teams are made and approved.

U5 players will start Saturday Sept 5 at 7:45am . Tommy Duncan will be the contact for this programming and will be at the rink on Sat.

If you have any questions regarding the programming for the upcoming season please reach out to our VP's who can answer your questions.

Greg Walker VP Representative - [greg@wbfarmdrainage.ca](mailto:greg@wbfarmdrainage.ca)

We look forward to seeing every one back at the rink for another exciting season.

Lets be sure to extend a welcome, or a hand to all those new families who may be trying hockey for the first time or have come from another center. Welcome to LMHA.
