

LMHA UNIFORM POLICY

For Session 1 of the 2020 hockey season, Lindsay Minor Hockey will implement the following policy as it pertains to Team Jerseys

All players will be issued a Lindsay Minor Hockey jersey for Session 1 when modified game play begins.

In order to help reduce any potential spread of COVID-19, each player will be responsible for taking the jersey home and to the arena for games. It's highly recommended that the players wash the game jersey after every game use.

Upon issue of each jersey to the assigned player, each coach will hand in a record to the LMHA Equipment Manager which will contain the players name and number of jersey that was issued. Each player assigned a jersey will be fully responsible to return the jersey to LMHA at the end of Session 1 clean and in good condition.

Any member not able to do so, will be responsible to pay Lindsay Minor Hockey \$100.00 CDN for the replacement value.

This fee will be placed on your member profile and for any member who has an outstanding balance will be deemed a "member not in good standing" with Lindsay Minor Hockey, and therefore unable to participate in any future organization programming. To be reinstated as a "member in good standing" the fee must be paid or the jersey returned clean and in good condition.
