

Marnie's Mouthguard Clinics

Custom Proform mouthguards offer superior protection and a comfortable fit. They also allow improved oxygen exchange with the ability to speak and drink during activity.

Due to Covid I am still unable to run my usual on-site mouthguard clinics. I am able to provide this service out of my home office allowing proper distancing and infection control procedures.

Location : 68 Springdale Drive Lindsay

To pre-book appointment or more info - text 705-879-1689

Please include the # of persons needing a mouthguard, names and your email for me to send further information and forms.

Wednesday September 22nd - 3:00 - 6:00
