### **Motion:**

## LMHA REFUND POLICY

All players are required to pay a \$60 fee when a request for refund is submitted (this includes when the season is cancelled by a governing body). This fee is applied to OMHA insurance fees charged per player to participate in the season.

If a season is cancelled by a governing body, prorated refunds will be issued. Pro-rated amounts will be based on initial registration cost, start date of season and date of season cancellation (minus the \$60 fee mentioned above).

As of October 20, 2020 if a participant voluntarily deregisters with Lindsay Minor Hockey there is a zero-refund policy\*.

If a participant chooses to register and deregister prior to the start of the Lindsay Minor Hockey season, a \$100 administration fee will be charged

No refunds will be granted after we have entered into the final month of any season or session under any circumstances.

Please note, **ANY AND ALL EXTENUATING REFUND REQUESTS** will be forwarded to the Board of directors of Lindsay Minor Hockey at which time it will be discussed and subjected to a board of approval vote at the discretion of the board and its elected members.

\*More information on zero-refund policy: The hours of ice that Lindsay Minor Hockey books with The City of Kawartha Lakes is directly related to the number of participants registered at the time the ice is booked with the municipality.

Regards

Lindsay Minor Hockey President

Paul Duncan
